Valid for orders placed
before the end of 2010

Training

A 3 hour, internet-based training session, using conference software.

Maximum 6 attendees.

Cost:	€	\$	£
	300	450	300

Requirements for the Internet-based training option:

- One computer, audio-capable, complete with headset (including microphone), per attendee
- Internet browser
- Connection to a broadband Internet connection

NOTE: This quotation and the HOTS licence which you will receive when you purchase the program are for educational use (the quoted price is discounted from the commercial rate). This means that you can use HOTS at all levels of education for your full-time enrolled students. Short courses for people not enrolled as full-time students and courses such as Executive MBAs count as commercial presentations and you will need a temporary extension to your educational licence to cover these courses.
